The LoL Citizenship Act 2026

ARTICLE I — CITATION & COMMENCEMENT

Section 1.1 — Short Title

This Act shall be cited as The LoL Citizenship Act 2026.

Section 1.2 — Commencement

This Act comes into force upon enactment by the President of The Legend of Legiona and shall govern all matters pertaining to the granting, maintenance, renewal, and revocation of citizenship within The LoL.

ARTICLE II — DEFINITIONS

Section 2.1 — Terms

In this Act, the following terms carry the meanings defined below:

- "Citizen" means any person who has been formally granted citizenship of The Legend of Legiona under this Act and whose status has not been revoked or suspended.
- "The LoL" means The Legend of Legiona, a sovereign nation within the Skyxion: Altaer server.
- "Skyxion" means the Minecraft server administered by the Kawaiiisho group within which The LoL exists.
- "Season" or "Server Reset" means any significant server-wide reset or new era as declared by the Kawaiiisho server administration, which triggers a renewal cycle.
- "IGN" means In-Game Name — the Minecraft username of an applicant, which is case-sensitive.

- "The Administration" means the founding leadership of The LoL, comprising Faiz4224, Imii Kun, and Dyno.
- "Renewal" means the re-application of citizenship status at the commencement of each new Season.

ARTICLE III — ELIGIBILITY & CONDITIONS

Section 3.1 — General Eligibility

Any player in Skyxion may apply for citizenship of The Legend of Legiona provided they meet ALL of the following conditions at the time of application:

- (a) The applicant must be sixteen (16) years of age or older in real life.
- (b) The applicant must have no record of being banned or kicked from the Skyxion server by the Kawaiisho administration.
- (c) The applicant must have no record of major unresolved issues, active drama, or disciplinary action involving the Kawaiisho administration, group, or members.
- (d) The applicant must not have a prior citizenship revocation from The LoL that has not been cleared by the Administration.

Section 3.2 — Age Declaration

Applicants are required to self-declare their age. The Administration reserves the right to reject or revoke citizenship if there is reasonable cause to believe this declaration is false. The LoL does not collect or store personal identification documents.

Section 3.3 — Dual Affiliation

Citizenship of The Legend of Legiona is compatible with membership in other nations, squads, or groups within Skyxion. Dual affiliation is permitted. However, a citizen of The LoL remains bound by this Act and all The LoL rules regardless of any other affiliation they hold. Conflicting obligations must not be resolved at the expense of The LoL or its citizens.

ARTICLE IV — APPLICATION PROCEDURE

Section 4.1 — Required Information

All applicants must submit the following information through the official The LoL Citizenship Portal or through direct contact with the Administration:

- (a) CALL NAME — A preferred name by which the applicant wishes to be known within The LoL. This is not a real name. Example: a person whose name is Mohamad Ali may simply submit 'Ali'.
- (b) MINECRAFT IGN — The applicant's exact Minecraft username, case-sensitive. Example: Faiz4224.
- (c) CONTACT — A Discord username (preferred) or WhatsApp number, for the sole purpose of notifying the applicant of their citizenship status and adding them to The LoL communication channels.
- (d) MINECRAFT PLATFORM — Whether the applicant plays on Java Edition or Bedrock Edition.
- (e) SERVER HISTORY — How long the applicant has been in Skyxion and played Minecraft. Any prior groups, squads, or nations they have joined must be stated by name.

- (f) REASON FOR APPLYING (Optional) — A short statement on why the applicant wishes to become a citizen of The LoL.

Section 4.2 — Review & Decision

All applications are reviewed exclusively by Faiz4224 as the First President and founding administrator. Upon reviewing an application, Faiz4224 shall inform Imii Kun and Dyno of the decision as standard procedure. The Administration may accept, reject, or place an application on hold pending further information. The Administration reserves the right to reject any application without providing a detailed reason.

Section 4.3 — Notification

Applicants will be notified of the outcome through the contact information they provided. Accepted citizens will be invited to join The LoL WhatsApp group or Discord server, as applicable. This contact information is used solely for administrative and communication purposes and is not shared beyond The LoL Administration.

Section 4.4 — Loyalty Oath

Upon acceptance, new citizens shall affirm the following Loyalty Oath:

"I affirm that I will uphold the values of The Legend of Legiona, conduct myself with honour in Skyxion, follow the laws of The LoL and the rules of Kawaiiisho, and act as a worthy citizen of this nation."

Affirmation of the Loyalty Oath is implicit upon acceptance of citizenship. Formal written confirmation may be requested by the Administration at their discretion.

ARTICLE V — CITIZEN RIGHTS

Section 5.1 — Rights Within The LoL Lands

Citizens of The LoL are entitled to the following rights and protections within The LoL territorial lands:

- Protection and security provided by The LoL and the Internal Security Control (ISC) within The LoL territory.
- Access to national infrastructure, public farms, and shared resources as designated by the Administration.
- The right to be heard by the Administration on matters affecting their citizenship or standing within The LoL.
- The right to voluntarily renounce citizenship in accordance with Article VIII of this Act.
- The right to vote in any future democratic processes or elections held by The LoL, as applicable.

Section 5.2 — Limitation of Protection

The LoL can only guarantee protection to its citizens whilst they are present within The LoL's recognised territorial lands on the Skyxion server. The LoL accepts no responsibility and makes no guarantee of protection for citizens who are outside The LoL territory, on their own, or in other nations' or neutral zones.

ARTICLE VI — CITIZEN OBLIGATIONS

Section 6.1 — Rules of Conduct

All citizens of The Legend of Legiona are bound by the following obligations at all times:

- (a) FOLLOW SKYXION RULES — Citizens must comply with all rules set by the Kawaiisho server administration at all times.
- (b) FOLLOW THE LOL RULES — Citizens must comply with all laws, acts, and policies enacted by The LoL government.
- (c) DO NOT CREATE ISSUES — Citizens must not engage in griefing, harassment, theft, exploitation, or any conduct that causes harm to other players, nations, or the server.
- (d) DO NOT BRING CHAOS — Citizens must not provoke conflict, incite drama, or destabilise The LoL or any other nation in Skyxion.
- (e) RESPECT & TOLERANCE — Citizens must treat all players with basic respect, regardless of their nation, squad, or affiliation. Intolerance, bullying, or intimidation is prohibited.
- (f) OPEN DISCOURSE — Citizens must allow others to express their opinions. Interrupting, dismissing, or silencing others in bad faith is a violation of this Act.
- (g) NON-AGGRESSION TOWARD OTHERS — Citizens of The LoL must not engage in acts of terror, targeted aggression, or hostility toward any other squad, team, or nation without explicit authorisation from the Administration.
- (h) UPHOLD THE LOL IMAGE — Citizens represent The Legend of Legiona in all their conduct in Skyxion. Any action that damages the reputation, image, or standing of The LoL is a breach of this obligation.

ARTICLE VII — SEASONAL RENEWAL

Section 7.1 — Renewal Requirement

Upon a major server reset or commencement of a new Season, all existing citizens of The LoL are required to renew their citizenship. Renewal re-affirms active membership and is mandatory to maintain standing as a citizen.

Section 7.2 — First-Time Renewal (Second Term)

The first renewal — occurring after a citizen's inaugural season — is subject to a renewal fee of one (1) Gold Ingot in-game, payable to the The LoL treasury or as directed by the Administration. Citizens who do not pay the renewal fee by the declared deadline will be ineligible to renew until payment is made.

Section 7.3 — Failure to Renew

Citizens who do not submit a renewal application within the designated renewal period following a Season reset shall have their citizenship automatically suspended for a period of one (1) week. If no renewal is received within that one-week grace period, citizenship shall be automatically and permanently revoked. A former citizen whose status is revoked for non-renewal must apply as a new citizen under Article IV and will not be exempt from the renewal fee in subsequent seasons.

Section 7.4 — Renewal Process

The renewal process follows the same procedure as a new application under Article IV, with the exception that returning citizens are not required to re-submit their full server history. Updated contact information and IGN confirmation must be provided.

ARTICLE VIII — INACTIVE CITIZEN POLICY

Section 8.1 — Inactivity Thresholds

Citizens who have not been observed active on the Skyxion server for extended periods shall be subject to the following status changes:

- (a) **HOLD** — After one (1) month of inactivity, the citizen's status will be flagged as 'On Hold'. No rights or benefits are affected during this period, but the citizen is not counted as an active member.
- (b) **SUSPENDED** — After three (3) months of continuous inactivity, the citizen's status will be changed to 'Suspended'.
- (c) **REVOKED** — After one (1) full year of continuous inactivity, citizenship will be automatically revoked. The former citizen must apply as a new citizen if they wish to rejoin.

Section 8.2 — Reactivation

A citizen on 'Hold' or 'Suspended' status may reactivate their citizenship by notifying the Administration of their return. Reactivation is at the Administration's discretion and may require confirmation of the Loyalty Oath.

ARTICLE IX — HONORARY CITIZENSHIP

Section 9.1 — Grant of Honorary Status

The President may, by way of a Black House Executive Order, grant Honorary Citizenship to any individual who has rendered notable service, alliance, or contribution to The Legend of Legiona, regardless of whether they meet all standard eligibility criteria. Honorary Citizens hold a symbolic status and are not automatically entitled to all rights under Article V unless explicitly stated in the granting order.

Section 9.2 — Revocation of Honorary Status

Honorary Citizenship may be revoked by Presidential Executive Order at any time without prior notice.

ENFORCEMENT & PENALTIES

Enforcement of this Act is the responsibility of the Administration, comprising Faiz4224, Imii Kun, and Dyno. The Internal Security Control (ISC) may assist in identifying conduct that constitutes a breach of citizen obligations. Breaches of Article VI obligations may result in suspension or revocation of citizenship under the Citizenship Revocation & Suspension Ordinance 2026 (THELOLGOV-29-03-2026-0002). Repeated or severe breaches may be escalated to the KawaiiSho server administration where applicable.
