Presidential Proclamation: Opening of The LoL Citizenship Programme

OPENING

To all citizens of The Legend of Legiona, and to all players of the Skyxion server,

It is with great pride that I, Faiz4224, First President and founding leader of The Legend of Legiona, formally declare the opening of The LoL Citizenship Programme.

From this day forward, The Legend of Legiona extends an open invitation to any player of the Skyxion server to become a formal citizen of this nation — to stand with us, to build with us, and to be counted among our people.

A NATION FOR ALL

The Legend of Legiona was not built by one person. It was built by three founders who shared a vision — and that vision has always been bigger than just us. We believe that a strong nation is one with a strong, diverse, and united people.

Our doors are open. You do not need to leave your squad, your team, or your nation to be part of ours. Dual affiliation is welcome. All you need is the will to abide by our laws, to respect your fellow citizens, and to uphold the values that define this nation.

WHAT CITIZENSHIP MEANS

Citizenship of The Legend of Legiona is a commitment — to our shared values, to our laws, and to each other. In return, The LoL commits to you: we will protect you within our lands, we will include you in our community, and we will always be transparent with you.

The rights and responsibilities of citizenship are set out in full in two documents enacted alongside this Proclamation:

The LoL Citizenship Act 2026 (THELOLGOV-29-03-2026-0001) — the principal law governing citizenship in The LoL.

The Citizen Rights & Responsibilities Charter 2026 (THELOLGOV-29-03-2026-0003) — a plain-language summary of what citizens are entitled to and what is expected of them.

I encourage every applicant and every citizen to read both documents in full.

HOW TO APPLY

Applications for citizenship are open immediately. To apply, visit The LoL's official Citizenship Portal or contact the Administration directly. You will need to provide a call name, your Minecraft IGN, a contact (Discord preferred), your platform (Java or Bedrock), and a brief server history. All applications are reviewed by the Administration personally.

A WORD TO THOSE CONSIDERING JOINING

We do not ask for perfection. We ask for honesty, decency, and a genuine willingness to be part of something that matters. If you believe in unity, in building rather than destroying, in treating others as you would wish to be treated — then you are already the kind of person The LoL was built for.

We look forward to welcoming you.

CLOSING

It is my honour to serve this great nation, and I am steadfastly committed to its continued growth, sovereignty, and the prosperity of all its people.

Long live The Legend of Legiona.

— Faiz4224
